Independent Auditor's Review Report

To
The Board of Directors
Diana Tea Company Limited

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of Diana Tea Company Limited ('the Company') for the quarter ended 30th June, 2016 (the "Statement"). This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We draw attention to following:
 - a) The Company has not made provision for part of gratuity liability as per actuarial valuation as per Accounting Standard 15-Employee Benefits.
 - b) The loans and advances include amounts receivable from three parties, standing since long, in respect of which no confirmation/acknowledgement, schedule of delivery and agreement was available and no provision has been made in the books for such loans and advances. However as per information and explanation given to us, the Company has initiated process of recovery of the same and as per management no provision for such advances is required to be made in the current fifteen month period ended 31st March 2016.
 - c) The Company has made long term investments in shares of various companies. The said investments continue to be valued at cost. The market value of said investment are lower than cost, however the Company has not made diminution in value of its investments as required under Accounting Standard 13 -Accounting for Investments, as it considers such investment was as long term investment and in view of the management such diminution are temporary in nature. Accordingly, impact, if any, on the financial statements is currently not ascertainable.

4. Based on our review conducted as above, subject to the observations in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
